Report of Principal and School Improvement Council

Reidville Elementary School is located in one of Spartanburg's most rapidly growing communities. This year our school serves approximately three hundred students from grades K-4 through 4th grade with a talented staff of over forty-five. Our mission is to develop responsible lifelong learners by providing meaningful and positive educational experiences for students to reach their maximum potential in an ever-changing world. We strive to meet the needs of each student and we work closely with parents and community.

Student achievement is prioritized as we use curriculum-based student learning maps, differentiated instruction, balanced literacy, guided reading and math, and inquiry-based science and social studies. This year our teaching staff continues with implementation of learning-focused instruction – using research-based strategies and integrated technology that strengthen student achievement. This provides greater focus on curriculum and data-driven instruction for students.

Learning opportunities at Reidville Elementary School are abundant for students and include uninterrupted reading and math blocks, the Gifted/Talented Program, Creations (Gifted Art Program), Character Education, Red Ribbon Week, Running Club, Sewing Club, Good News Club, Drama Club, ESOL, Reading Movin' Up Celebrations, Chorus, and more. Student leadership is promoted through our School-wide Student Council, Wee Deliver Postal Service, Rocket Squad, Lunch Buddy Mentoring Program, Spanish Club, School Store Managers, Flag Bearers, our (television) Morning Show Reporters, and the Friday Radio Show.

The service learning projects this year, coordinated through our Reidville Student Council, included collecting canned food items for our local food pantry, collecting soda pop tabs for the Ronald McDonald House, donating pet items to our local humane society, sending Christmas cards to the VA Medical Hospital (Veterans), collecting money for Relay for Life and the March of Dimes, and support of military personnel.

Staff, parents, community and business partners are all stakeholders in our mission to ensure that all students achieve and are provided with challenging educational experiences. We share many community events including our annual Fall Festival, Grits for Grandparents, Doughnuts for Dads, Muffins for Moms, Pastries for Pastors, Thanksgiving meal, SMART (Science/Math and Related Technology) Night, the Galaxy of Stars Student Talent Show, School-to-Work Career Day, the Order of the Quill, and our choral and drama productions. The local fire department continues the tradition of cooking for our school-community picnic and providing fire safety tours for students.

We are grateful for our continued support of our PTO and local business partners such as Zaxby's, McDonald's, The Reidville Garden Club, Publix, Ingles, Pizza Inn, Bi-Lo, Bondtex, and Southern Sisters.

Through the collaborative efforts of our students, faculty, parents, and community we will continue to provide every child at Reidville Elementary School the best possible education in a warm, supportive child-centered environment.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	98.0
Overall Grade Conversion	A

70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
